

**JOB & FAMILY SERVICES**  
OF CLARK COUNTY

## **WORKPLUS MISSION STATEMENT**

The WorkPlus One-Stop Employment and Training Center is Clark County's Workforce connection and a member of the WorkPlus Regional One-Stop System serving jobseekers from Champaign, Clark, Logan, Madison and Union counties. People who are looking for jobs and employers looking for quality workers will find an array of services offered at any of the five locations.

Our partnership approach involves leaders, business and stakeholders throughout the region to promote individual employment, growth and our region's economic vitality.

## **WELCOME TO THE WORKPLUS ONE- STOP CENTER OF CLARK COUNTY**

The WorkPlus One-Stop Center is building the foundation for a successful economic future: a skilled workforce. In partnership with local government and private organizations, the one-stop center serves as Clark County's central hub for employment and resources by offering a full spectrum of job and workforce development services. WorkPlus helps job seekers prepare for rewarding employment opportunities and helps employers find the qualified employees they need to succeed in a changing economy.

Services are made possible by the U.S. Department of Labor, County Commissioners and the Department of Jobs & Family Services.

# THE REGION'S WORKFORCE CONNECTION HELPS INDIVIDUALS AND BUSINESSES PROSPER

WorkPlus of Clark County is building the foundation for a successful economic future: a skilled workforce.

In partnership with local government and private organizations, the WorkPlus One-Stop Center, provided by the Clark County Department of Job and Family Services, offers a full spectrum of job and workforce development services. WorkPlus helps job seekers prepare for rewarding employment opportunities and helps employers find the qualified employees they need to succeed in a changing economy.

## **WORKPLUS PREPARES JOB SEEKERS FOR SUCCESS**

**Finding jobs** – WorkPlus offers a wealth of employment resources, including current job openings of local, regional and statewide employers. Additional resources include: computers to prepare resumes and cover letters, free internet for online job search and career exploration, fax machines, copiers, telephones and various employment related workshops.

**Developing skills** – WorkPlus has access to financial assistance to help people develop valuable work skills and advance their careers. Under the Workforce Investment Act, training dollars are available to individuals who are unemployed, underemployed or displaced (those who have lost jobs to layoffs and business closings).

## **WORKPLUS PREPARES EMPLOYERS FOR SUCCESS**

**Finding employees** – Businesses post job opportunities at WorkPlus on statewide and regional job matching systems, which provides them access to an extensive pool of qualified candidates.

Employers can use WorkPlus conference rooms for job fairs and interviews.

**Developing a skilled workforce** – WorkPlus connects area businesses to local, federal and state resources such as Ohio's Work Opportunity, Welfare to Work, Ohio's Training Tax Credit Program, training grants and more.

Financial incentives, training grants and special programs help businesses hire and train quality workers, retain valued employees and expand operations.

## **Providing a wealth of information**

WorkPlus offers businesses extensive labor market information to help in setting competitive wages, recruiting qualified workers, developing job descriptions, and mapping the future.

## **OTHER SERVICES AT WORKPLUS**

Many community agencies maintain regular office hours at WorkPlus to serve job seekers and businesses, providing education, employment, rehabilitation, veterans and support services.
