

## Meet Our New CCDJFS Director

A Question & Answer Session with David Dombrosky

**Q: Tell us about your background, education and work history?**

A: I grew up in Elyria, Ohio, which is located in Lorain County (30 miles west of Cleveland), where I graduated from Elyria West High School in 1982. I attended Bowling Green State University graduating in 1986 with a Bachelor of Science degree in Criminal Justice. Following, I attended graduate school at the Nelson D. Rockefeller School of Public Administration at the State University of New York at Albany where I obtained a Master of Arts degree in Criminal Justice in 1987.

I landed my first job after graduation as a Child Care Worker at a Job Corp. Center in Glenmont, NY working with court-adjudicated juvenile delinquents. I came back to Ohio in 1988 working as a Child Care Worker at Parmadale and Bellefaire in Cuyahoga County. In 1990, I began my public service career as a caseworker providing public assistance program benefits through the Cuyahoga County Department of Human Services.

I became a Management Analyst looking at

The mission of Family & Children Services of Clark County is to promote protection, stability and permanency for children and older adults.

business process and customer flow and helped to convert over 28,000 cases from paper files to the CRIS-E System (introduced in 1992). I served on many state work groups concerning OFW, Work Programs, Child Care and Work Participation. I then became a trainer for public assistance programs including OFW, Food Stamps (now known as Food Assistance) and Medicaid.

Later, I was promoted to Regulatory Compliance Manager, where I developed and wrote policy manuals, and developed Cuyahoga County's PRC plan (in collaboration with our community partners), conducted Child Care hearings, and provided training to agency staff and community partners. In 2004 I was promoted to Deputy Director of the Cuyahoga County Senior and Adult Services Agency, where I supervised all procurement activities (RFP development/release, contracts negotiations/development, and contract monitoring), managed the agency's budget, managed all training activities, supervised I.T., managed our space maintenance issues and supervised the Community Resources unit (responsible for ongoing case management of Adult Protective Services cases). In 2009, due to restructuring, I became responsible for managing the Medicaid Benefits unit responsible for eligibility determinations for the long-term care and waiver Medicaid cases. In 2011, during the transition in Cuyahoga County government, I served as Interim Director for the agency. This role included responsibility for 290 staff and a \$40 million budget.

In late 2011, I became Deputy Director of the Children and Family Services Department- Administrative Services Division in Cuyahoga County, which had a
