

**Clark County Department of Job & Family Services
By and through the authority of the Board of Clark County Commissioners**

REQUEST FOR PROPOSALS #19-SFY-01

Release Date: August 8, 2018

Responses Due: August 24, 2018 at 3:00 p.m.

The Board of Clark County Commissioners ("Board") is seeking proposals and intends to award one contract to a vendor for a two-year maintenance agreement for HVAC systems in Clark County Department of Job & Family Services ("Department") buildings. Department will be administering the contract once executed by all parties. Interested vendors are required to follow the procedures outlined below. A sample contract can be viewed online ([click here to view](#)). There will be no changes to the contract unless agreed upon by all parties. Board reserves the right to reject any or all proposals or to waive any defect in a proposal which does not materially alter the contract document.

CONTRACT AWARD: The contract will be awarded to the responsible vendor whose proposal is most advantageous to Board. A potential vendor's failure to address all items in its proposal may result in its rejection. Board retains the right to cancel this RFP at any time prior to contract being awarded. Potential vendors will be notified at the earliest possible opportunity. Only Board has the authority to bind Department into a contract. Since Board maintains binding authority and has the right to refuse any proposal, no costs may be recovered for proposal preparation or any process during the RFP process or thereafter.

EVALUATION: Potential vendors will be evaluated based on, in order of importance:

1. Ability to maintain prior HVAC maintenance repairs;
2. Price;
3. Ability to meet County insurance requirements;
4. Completeness of all required information and forms requested in this RFP; and
5. Business references and Demonstration of Experience.

Vendors may be disqualified for failure to meet any of the above requirements. Proposals will be evaluated on all five (5) criteria, which are listed in the order of importance. The selected vendor will be chosen based on the price and terms that are most advantageous to Department.

Board reserves the right to reject any proposals in which the potential vendor takes exception to the terms and conditions of the RFP; fails to meet the terms and conditions of the RFP, including but not limited to, the standards, specifications, and requirements specified in the RFP; or submits prices that the contracting authority considers to be excessive, compared to existing market conditions, or determines exceed the available funds of the contracting authority. Board reserves the right to reject, in whole or in part, any proposal that Board has determined, using the factors and criteria Board developed pursuant to this section, would not be in the best interest of the County.

INQUIRY PERIOD: Vendors shall contact Contract Developer, Tracy Lockhart at Clark_Contract_Development or (937) 327-1867 with any questions regarding this RFP. If the question is submitted via email, the subject line of the email must be "HVAC Maintenance RFP # 19-SFY-01," in order to ensure timely receipt of all questions. The inquiry period opens upon release of the RFP, and closes at 3:00 p.m. on August 15, 2018. Department reserves the right to disregard any questions that are not properly or timely submitted. Any questions or answers deemed to be material to all vendors will be sent to all vendors at the email address the RFP was initially distributed to; any other questions or answers will not be distributed to all vendors. Board may conduct discussions with potential vendors who submit proposals for the purpose of clarifications or corrections regarding a proposal to ensure full understanding of, and responsiveness to, the requirements specified in the RFP.

INSURANCE REQUIREMENTS: Interested vendors must meet Board insurance requirements in order to be considered an eligible vendor (see response forms below).

BUSINESS REFERENCES: Interested vendors' proposals shall include a list of at least three (3) companies or organizations with which it has had HVAC maintenance contracts or agreements within the past two (2) years. The contracts must not have been terminated prior to the end date due to poor performance and/or acts of negligence. This list shall include the name and phone number of a contact person who is familiar with the vendor's job performance. Department may not be used as a reference. There is a limit of one (1) reference from any other Clark County government agency (including Board of County Commissioners, Courts, Sheriff, Prosecutor, etc.). Board may verify the vendor's experience based upon the list of business references submitted and any other sources which Board deems appropriate.

DEMONSTRATION OF EXPERIENCE: Interested vendors shall submit with its proposal demonstration of previous experience in delivering this, or similar, services. Vendor shall include descriptions and examples of at least two (2) projects or contracts completed in the past five (5) years that demonstrate appropriate experience.

HOW TO SUBMIT A PROPOSAL: After reviewing the sample contract, print a copy of the seven (7) page response sheet and included forms listed before Attachment 1, and completely fill in all sections. Return to the Clark County Department of Job & Family Services, Attention Contract Developer, 1345 Lagonda Avenue, Building C, Springfield, Ohio 45503, on or before 3:00 p.m. on August 24, 2018. Proposals can be mailed or hand delivered to the receptionist in Building C Lobby. Mailed proposals must be received by the stated deadline. Proposals shall be clearly marked on the outside of the envelope in the lower left hand corner as follows: "HVAC Maintenance RFP." The name and address of the vendor submitting the proposal shall also appear on the outside of the envelope.

SCOPE OF WORK: Department is requesting pricing for HVAC Maintenance and quarterly air filter replacement. Specifications are included in the response sheet below. All services to be provided must be approved by the Maintenance Supervisor prior to the start of the requested work.

Potential bidders are encouraged to attend a walk-through to inspect current equipment. **A walk-through will be conducted on Monday, August 13, 2018 at 2:00 p.m.** at Department's Campus (1345 Lagonda Avenue). All potential bidders should report to the Building C lobby at 2:00 p.m.
