

Q&A Document
21-RFQ-05 Parking Lot Sealing and Striping

1. Is there any specific coating CCDJFS would like the chosen vendor to use on the parking lots?
CCDJFS has no specific preference on the type of seal coating.
2. What is CCDJFS expecting as far as crack fill?
CCDJFS expects the chosen vendor will use the industry standard for patch and crack or parking lot joint and crack sealer repair.
