The Contractor shall not perform in any way inconsistent with the terms of this contract except as approved, in writing, by the BOCC. Adjustments in the services to be provided under Appendices III and IV, attached, may not be made without prior written approval of the BOCC.

ARTICLE II STATEMENT OF WORK TO BE PERFORMED

Contractor shall perform the scope of work as outlined in the Request for Proposals RFP# and the Proposal, attached to this Contract as Appendices III and IV, which are hereby incorporated into and made part of this Contract as though expressly rewritten herein. If any of the terms of the RFP or the Proposal conflict with this Contract, the terms of this Contract control. This Contract and the attached exhibits constitute the entire agreement between the parties and supersede any prior understanding among them. No representations, arrangements, understandings or agreements relating to the subject matter exist among the parties except as expressed in this Contract and the attached exhibits.

ARTICLE III COMPENSATION AND METHOD OF PAYMENT

A. Reimbursement

The parties agree that reimbursement of all costs will be dependent upon Contractor performance in the delivery of services specified in the approved budget appearing as Submittal A attached. Payment shall be made by the Clark County Auditor upon proper presentation of request, when approved by the BOCC, the CCDJFS, and the Contractor. Payment shall be made on a unit cost, fee for service, reimbursement basis. The unit cost represents a true measure of the actual cost of providing the contracted number of units of service. Unit cost contractors may be asked to reconcile revenue against the total actual expenditures and reimburse the CCDJFS for over-budgeted expenses on a quarterly basis.

Contractor shall act in good faith and make reasonable efforts to maintain documentation supporting all contract expenses and to avoid exceeding the amounts listed in the budget line items. If necessary to accomplish the purpose of the contract, one or more of Contractor's expenses may exceed the amounts listed in the budget line items, provided that Contractor shall not exceed any line item by more than 10%. If Contractor determines that any such expense might exceed the budget line item by more than 10%,

Contractor must obtain written approval from the CCDJFS prior to incurring the expense. **In no event shall the full contract value be exceeded unless authorized by an amendment to the contract.** Payment for any expense submitted in violation of any of Contractor's obligations under this paragraph shall not be deemed a waiver of such obligations by the CCDJFS or the County. Contractor's failure to comply with any such obligation may result in the denial of the reimbursement request or recovery of the funds by the CCDJFS, County, State, and/or federal government.

The Contractor shall provide a monthly invoice to the CCDJFS, no later than 30 days past the service month. This invoice shall adhere to the guidelines communicated by the CCDJFS and shall include a monthly activity report indicating the status of project work that was provided and the dates of service. Contractor shall follow the Sample Invoice, included in this agreement as Appendix I. The BOCC and the Contractor agree that if any invoice is not received by the CCDJFS within the 30-day deadline, a credit shall apply toward that invoice as follows, unless waived by the BOCC in writing:

- 31-45 days 10% of the total invoice amount
- 46-60 days 20% of the total invoice amount
- 61+ days 30% of the total invoice amount

Any credit applied toward an invoice in accordance with these terms shall count toward the remaining contract balance. The final invoice must be submitted in accordance with the above terms except that the final invoice must be submitted no later than 60 days of the end of the contract period. In the event that Contractor fails to submit the final invoice within 60 days, a credit shall apply toward the final invoice in the amount of 100% of the final invoice. The Contractor agrees that said credits represent liquidated damages and are not a penalty. The Contractor acknowledges and agrees that these percentages are a genuine estimate of the County's damages for late submission of invoices and are reasonable in light of the harm that will be caused by late submission, the difficulty of proving the extent of monetary loss, and the inconvenience of otherwise obtaining an adequate remedy at law.

B. Maximum Compensation

The Contractor agrees to accept as full payment for services rendered in a manner satisfactory to the CCDJFS, the less of the following: (1) The maximum amount of \$33,500.00 or (2) the amount equal to the total number of units of service at \$ _____ per unit. It is expressly understood and agreed that in no event shall the total compensation to be reimbursed exceed the maximum of \$33,500.00.

The BOCC, the CCDJFS, and the above named parties shall be permitted by the Contractor to inspect, audit, make excerpts, photo static copies or electronic means of duplication and/or transcripts of any and all documents relating to all matters covered by this contract. In addition, this requirement shall apply to all subcontracts relating to this Contract. Prior to the destruction of records, the Contractor, or subcontractor through the Contractor, shall contact the CCDJFS to obtain written notification that records may be destroyed. Failure to comply with records retention policies may result in an audit finding for unsubstantiated and questioned contract activities and the Contractor shall assume full financial liability for any subsequent questioned or disallowed costs associated with activities conducted by the Contractor.

ARTICLE V TIME OF PERFORMANCE

This Contract shall become effective upon execution by the BOCC and the CCDJFS as of _____. The services of the Contractor are to commence immediately and all costs allowable under the contract shall be incurred no later than _____.

- d. Auto Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work of Clark County, or its departments, with limits of at least \$3,000,000 Combined Single Limit

Contractor's failure to maintain current insurance certificates at any time during the duration of the contract shall be deemed a breach of the contract. In the event of such breach, the County shall have the right to withhold any further payment(s) due to Contractor and to terminate the contract immediately without liability for any such payment(s).

In lieu of termination, the County may, at its option, choose to withhold any further payment(s) due to the Contractor until the Contractor presents current certificates. The Contractor shall certify that any costs incurred pursuant to the contract will not be included as a cost of any other federally financed program in either the current or a prior period. The federal funds disbursed as a result of this contract shall not be used as match to any other federal funding stream unless prior written approval is obtained by the Contractor from the CCDJFS.
