

#26-RFQ-02 Purchase and Installation of Furnishings

Question and Answer Document

Q1: Are the items requested based on a certain manufacturer you are looking for?

A1: The Department is looking for the following items to be the same or an equal product as the furniture already in the Gymnasium/Training building.

- *Five (5) fold down nesting training tables on wheels (grey)* - Safco Flip-N-Go Rectangular Training Table **or equivalent**, grey rectangle top - black base - 150 lb capacity - 72" table top width x 18" table top depth x 1.20" table top thickness - 29" height - low pressure laminate (LPL) top material.
- *Ten (10) nesting folding task chairs with cushion and leather like black upholstery* - Lorell Mesh Back Nesting Training/Guest Chairs **or equivalent**, PU foam seat material - powder coated frame color - metal frame material - four-legged base - black - mesh - armrest.

Q2: Are you able to elaborate on the delivery details? What items below go where and the details of delivery for 525 East Home Road.

A2: The five (5) fold down nesting training tables on wheels, ten (10) nesting folding task chairs with cushion and leather like black upholstery will go to the Gymnasium. The one (1) round wood coffee table and two (2) matching end tables, one (1) thirty-six (36) inch round wood tabletop and base, one (1) twenty-eight (28) inch round tabletop and base will go to the Training Building.

Q3: For the coffee table (lower) and two (2) matching end tables (taller), when you are asking for wood, do you mean wood veneer or wood laminate? Do you have more precise sizes of the diameter of round or the heights of both tables?

A3: Wood laminate is preferred. The Department does not have precise sizes.

Q4: For the five (5) fold down nesting training tables on wheels what are the sizes needed for these tables? Is power needed?

A4: Power is not needed, and size is approximately 18" by 72".

Q5: For the ten (10) nesting folding task chairs with cushion and leather like black upholstery are you wanting a cushion back, mesh, or plastic back?

A5: Mesh back is preferred.

Q6: For the 36-inch round wood tabletop and base when you are asking for wood, do you mean wood veneer or wood laminate? Wood veneer, wood laminate, or metal base?

A6: The Department prefers woodgrain laminate, coastal grey, and black metal base.

Q7: For the 28-inch round tabletop and base would you accept 30" round? Is this to be wood veneer or wood grain laminate? Wood veneer, wood laminate, or metal base?

A7: Twenty-eight (28) inches is preferred. Wood grain laminate is preferred. Metal base is preferred.
