Costs

1. The bidder must complete, sign, and submit Submittals A1- A3.
2. The bidder must submit a detailed narrative, which demonstrates how costs are related and why they are necessary to the proposed program. The narrative must detail the amount of money being requested from the CCDJFS.

3. Provider shall submit a detailed narrative describing all non-CCDJFS funding received from any source that funds any part of the proposed project. Provider must include the percent of the total project cost of each funding source.
4. Provider must submit proposed payment points and amounts associated with each outcome (Section 3.3)

If there is a dispute regarding whether a certain item of cost is unallowable County's decision is final.

Estimated proposal prices are not acceptable.

Payment Schedule

The bidder must include a proposed schedule of payments. The trigger for payment for each cost must be identified (e.g. timing, deliverable).

Except for the above sections that are revised as a result of this amendment, the original RFP document remains in full force and effect.
